16 Career Clusters on DVD-ROM

According to the U. S. Department of Education

Great for:

- ✓ Middle Schools
- ✓ High Schools
- ✓ Post-Secondary
- ✓ Adult Education

Used In:

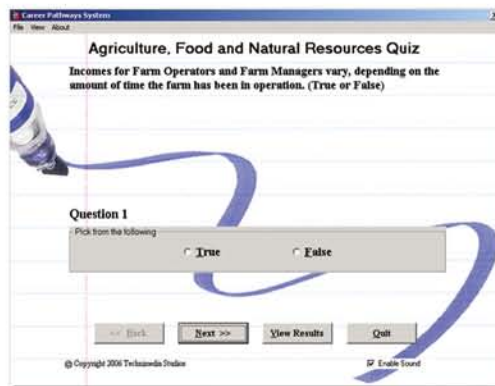

- ✓ Guidance Offices
- ✓ Career Labs
- ✓ Libraries
- ✓ Special Needs

Careers Include:

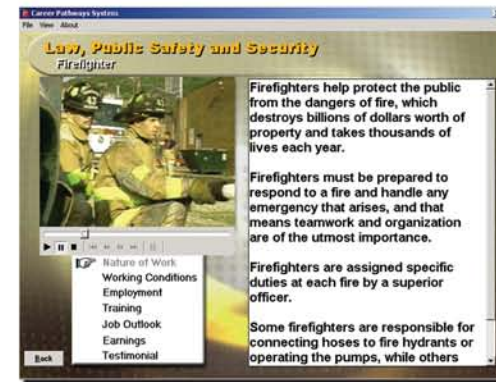

- ✓ Entry-Level
- ✓ Technical
- ✓ Professional

Access any pathway, career, or section of career, including the Nature of Work, Working Conditions, Employment, Training, Job Outlook, or Earnings, from easy to use menus.

A fun, easy to take career assessment and pre/post tests are given by the narrator. Students receive screen results for both the assessment and tests, which can be printed to any connected printer.

Career Pathways features entertaining full-motion, high-quality video and audio that appeals to students and brings the workplace into the classroom. The video is accompanied by text - great for special need students!

Students watch testimonials from people who actually work in the field. Career Pathways testimonials are by real life people taken on location right on the job!
